

WRITING COACH SESSIONS

What you can expect from your first 1-hour coaching session

- You'll enroll through our Dismantle Education portal and schedule a meeting with Sara or Elise
- We'll email you an intake form asking about your needs, your project, etc.

Coaching Formats

You can choose one of the options below, or we can tailor something to your specific needs.

OPTION 1

- You meet with your coach via Zoom or phone (your preference) for one hour and we talk about your work, your hurdles, your strengths, where you're feeling stuck, etc.
- This could include brainstorming, clarifying your big ideas, discussing how to approach or narrow down a topic
- We develop goals to help you get to the next step

OPTION 2

The same as above except instead of a full hour meeting you'll receive:

- A 1-page editorial letter on a piece of writing under 2,000 words
- A 30-minute meeting either before or after we read your work

Multi-session packages will be tailored to your needs. May include:

- Setting manageable goals and deadlines
- Prompts, writing exercises, and other generative "assignments"
- Ongoing feedback on drafts
- Finding new ways into your story or pulling out the story sized chunk in a larger body of research
